July 10, 2016

“What’s in a Name?”

Matthew 6:31-34

1. What one truth or insight grabbed your attention from this message? Be as specific as you can be.
2. How can this truth intersect with your life at this time?
3. What realities in your life or our world make it hard for you, at times, to believe and live as if God knows and God cares?
4. Ponder Matthew 6:19-34...what truths about God stand out to you? List them. Ask God to help you apply them to your life circumstances.
5. God as your heavenly Father...what makes it hard for you to understand and see God as your Father? Be as honest as you can.

What breathes hope into your heart from this picture of God?

6. Who can you share these truths with? Who can you invite to join you for a Sunday service or incite to listen on line to the message?
