

Between Sundays: Reflection Questions & Next Steps

July 31, 2016

“In All Circumstances”

1. Read and work on memorizing Romans 8:28.
 - If you truly believed that God can work in all things for your good, how would it change how you feel right now?

2. Read Romans 8:29.
 - What does Paul say about the ultimate result of God’s work in all things?
 - What difficult circumstance in your life right now do you sense God wants to use to make you a better person?

3. Read Psalm 10:1.
 - What does it say to you that God has given you these words to pray to him? (Perhaps you want to pray them now)

4. How can the phrase “already but not yet” be of practical encouragement to you when you face troubles?
